Subject: RE: Legalization of Character Police Reports of Students from India in Support of their Applications for Acquiring Temporary Bonaire Residency (MVV Permit) for Enrolling in PreMed & Doctor of Medicine (M.D.) Degree Program at the International University

Dear Mr. Choudhry,

With reference to your email dated 17.3.2014 please be informed that the embassy does not legalise any Indian documents anymore. In case if they have to be used in the Netherlands then you may get it apostilled by the Indian ministry of external affairs and send it to the Netherlands authorities for further use.

With kind regards,

Dear Mr. van Leeuwen:

Ref: Legalization of Character Police Reports of Students from India in Support of their Applications for Acquiring Temporary Bonaire Residency (MVV Permit) for Enrolling in PreMed & Doctor of Medicine (M.D.) Degree Program at the International University School of Medicine (IUSOM) located in Bonaire, Caribbean Netherlands

International University School of Medicine (IUSOM) located in Bonaire Island, Caribbean Netherlands is presently considering to admit some students from India to its PreMed & Doctor of Medicine (M.D.) Program.

Recently, we have noticed that some Netherlands Embassies, for example in Nigeria, do not legalize anymore the Character Police Reports, which are required by Immigration and Naturalization Service (IND) Office of Bonaire

Local Government in Caribbean Netherlands, in support of students' Applications for Acquiring Temporary Bonaire Residency (MVV Permit) for enrolling in PreMed & M.D. Degree Program at IUSOM in Bonaire.

Therefore, I request you please confirm to me via an E-Mail that whether Netherlands Embassy in India still legalizes Character Police Reports or not, as soon as possible.

With best regards,

Sincerely,

Prof. Dr. Ghulam Ghaus Choudhry, Ph.D., D.Sc.
