Dear Professor Choudhry

Thank you for your email.

If the medical university is listed in the AVICENNA directory, the holder of the degree will be able to apply to sit the New Zealand Registration Examination or for registration with the Medical Council of New Zealand, as long as they meet all other criteria.

Regards, Jane

On the behalf of the Board of Trustees for International University School of Medicine (IUSOM) Foundation established in Bonaire, Dutch Caribbean (Formerly Netherlands Antilles) on September 16, 2005, I request you to include Medical Qualifications offered by our institution in the Listing of Primary Medical Qualifications (PMQ) Acceptable at the Medical Council of New Zealand (MCNZ), Wellington, New Zealand.

I wish to gladly inform you that on May 5, 2011, AVICENNA Directory for Medicine (formerly WHO (World Health Organization) World Directory of Medical Schools) formally listed IUSOM (copy of notification attached). Likewise earlier, The Local Government of Bonaire Island issued an Approval & Permission Letter to International University School of Medicine (IUSOM) on May 18, 2010 as well a Business License to IUSOM International Medical Consultant B.V. (a daughter entity of IUSOM Foundation) on March 5, 2009, allowing IUSOM to provide Medical Education and Training to both Local and Foreign Students for eventually awarding PreMed and M.D. (Doctor of Medicine) degrees (all documents enclosed).

In the support of this request, I have attached to this E.-Mail, the signed covering letter along with copies of all documents cited above.
